

The Gannet is an award winning independent restaurant in the newly established vibrant dining destination of Finnieston in Glasgow. Opened in October 2013, the restaurant has attracted critical acclaim in regional and national press.

Responsible sourcing is a focus for us. We are passionate about cooking the finest produce dictated by the rhythms of the British seasons and serving it to you in a warm relaxed environment.

With a select wine list, cocktails and locally sourced craft beers, our friendly and professional staff are on hand to help you unwind.

The Gannet is situated in the heart of Finnieston- a 5 minute taxi ride from central Glasgow and a short stroll to the SECC, SSE Hydro and all major hotels.

We have a seating capacity of 45 and can cater for parties of all sizes, whether you're after small bar plates, more substantial dishes from pre theatre or a la carte menus, banqueting set pieces for larger groups or private hire.
